

REMARKS

Applicant thanks Examiner Shaw for initiating a telephone interview with Applicant's Attorney, Jeffery Valley on February 26, 2009.

During this interview and in follow-up correspondence, proposed claim amendments to secure allowance of the subject application were discussed. In the interest of securing allowance of the subject application, and without conceding the propriety of the rejections, agreement was reached on the proposed claim amendments.

The proposed claim amendments as provided herein, reflect the Applicant's understanding of the claims as agreed to during the interview, and which will be entered by Examiner's Amendment.

In light of the agreements reached during the interview, Applicant anticipates that a Notice of Allowance will be issued by the Office. Should any issue prevent issuance of the subject application, the undersigned respectfully requests a telephone conference with the Examiner to resolve any outstanding issue.

Respectfully submitted,

Date: 3/2/2009
